By Stearns, Peter N.

Pearson, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is a high quality, affordable text that has very strong instructor resources." -Kristopher Treat, Arizona State University "I really appreciate the instructor's manual and the way the book highlights themes and key questions. These additional aids facilitate covering a lot of material quickly but coherently." - Kathleen Parrow, Black Hills State University "Its brevity allows me to expect students will read everything, while it is still a good text despite being so brief." -Matthew Stanard, Berry College "The brief version works well for a one-semester course. Stearns does not get bogged down in the details; he presents a broad overview of critical points and cultural traits." -Terry Reynolds, Michigan Technological University.
