Washington lived in a smaller structure on the land as a teen, and ironically, tradition and inheritance suggested that George would never be the one to own the land. Of course, fate would intervene, and Washington would not only come into possession of the 10,000 acres in 1761 but build and renovate the property to create one of the most famous private residences in the nation. Washington would live at Mount Vernon before the Revolution and retire there after the war and after his presidency. Indeed, he would die there and be buried there as well. By 1760, Washington was one of Virginia s wealthiest and most influential citizens, in large measure due to Mount Vernon s success as a tobacco plantation. However, to make that...
