

Lay Back the Darkness: Poems

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

LAY BACK THE DARKNESS: POEMS

Knopf, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Edward Hirsch's sixth collection is a descent into the darkness of middle age, narrated with exacting tenderness. He explores the boundaries of human fallibility both in candid personal poems, such as the title piece a plea for his father, a victim of Alzheimer's wandering the hallway at night and in his passionate encounters with classic poetic texts, as when Dante's *Inferno* enters his bedroom: When you read Canto Five aloud last night in your naked, singsong, fractured Italian, my sweet compulsion, my carnal appetite, I suspected we shall never be forgiven for devouring each other body and soul . . . From the lighting of a Yahrzeit candle to the drawings by the children of Terezin, Hirsch longs for transcendence in art and in the troubled history of his faith. In "The Hades Sonnets," the ravishing series that crowns the collection, the poet awakens full of grief in his wife's arms, but here as throughout, there is a luminous forgiveness in his examination of our sorrows. Taken together, these poems offer a profound engagement with our need to capture what is passing (and past) in the incandescence of language. From the Hardcover edition.
