THE RHYME AND STORY PRIMER (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Rhyme and Story Primer The object of The Rhyme and Story Primer is to make the child's first experience with school books pleasant as well as profitable. To attain this end we have chosen, because of their sentiment, their simplicity, and their interest for the child, certain nursery rhymes and poems; and from these developed a vocabulary for a large number of reading lessons. Furthermore, the use of rhymes and poems for the first reading lessons - always blackboard lessons - being most highly approved and having now become very general, it has been deemed expedient to make of these first lessons a direct stepping-stone to that dear object of the child's ambition - a book. On pages 2, 4, 7, 10, 15, 19, 23, 26, 28, 31, 38, 43 will be found twelve carefully graded rhymes, which are intended for these first lessons, comprising from ten to twelve weeks of reading from the blackboard. These twelve rhymes provide a vocabulary of one hundred and fifty-seven words which, with eighteen additional words, are all that are required for the reading of this part. It will be noticed that after the first rhyme none are introduced of which all the words are new; such a choice of material having been made, the little reader will frequently have the pleasant and encouraging experience of meeting a word already learned. In the Introduction attention is called to some of the various devices that may be used as means, not only of fixing the words in the child's mind, but also of giving variety to the lessons. About the Publisher Forgotten Books publishes hundreds of...
