Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Was Secession Taught at West Point? The following extracts from a few of the many publications that have recently appeared upon the question of the right of a state to secede from the American Union, and matters incident thereto, apparently not yet disposed of, will supply a suitable introduction to and the need for the text that is to follow. Another erroneous view of the great struggle, very generally held in the North, is that the South waged the war to perpetuate slavery. Nothing could be further from the truth. The war was fought for constitutional liberty and slavery was only an incident to the great question. New York Times Book Review, Dec. 26, 1908, communicated. This public opinion (now prevalent in the South) positively demands that teachers of history, both in the colleges and high schools, shall subscribe unreservedly to two trite oaths: (1) That the South was altogether right in seceding from the Union in 1861; and (2) that the war was not waged about the negro. Historical scholarship has settled the fact that according to the interpretation of the American Constitution up to the time of the Civil War the Southern States did have the right to secede from the Union, and General Adams adds, The whole opposite contention from the days of Andrew Jackson and Daniel Webster to 1860 is thus summarily dismissed. Foot note citation to The Constitutional Ethics of Secession by Genl. Charles Francis Adams. Proceedings Mass. Hist. Soc, p. 100, Jany. - March, 1903. The reason (for the predominance of Southern views and ideals at West Point) runs back to several sources, one branch to the isolation...
