

Using Narrative in Social Research: Qualitative and Quantitative Approaches

Filesize: 1.04 MB

Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Bernie Mante PhD)

USING NARRATIVE IN SOCIAL RESEARCH: QUALITATIVE AND QUANTITATIVE APPROACHES

[DOWNLOAD](#)

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Using Narrative in Social Research: Qualitative and Quantitative Approaches, Jane Elliott, 'Jane Elliott's examination of the use of "narrative" within the broad context of social science inquiry is a must-read for both qualitative and quantitative researchers, novice and expert alike' - Journal of Advanced Nursing 'This important book does an impressive job of synthesising a complex literature and bringing together both qualitative and quantitative methods of narrative analysis. It will become a milestone in the development of narrative methods. Although ground-breaking in many ways, it is very clearly written and accessible to readers from a wide variety of backgrounds and methodological experience' - Nigel Gilbert, University of Surrey 'An elegantly written, scholarly and accessible text. Jane Elliott shows a sophisticated appreciation of contemporary methodological developments, and makes a persuasive case for the use of narrative approaches in both qualitative and quantitative research. The book challenges and advances debates about combining methods, and shows how stories can work within and across conventional research boundaries. It is a truly original contribution to the literature' - Amanda Coffey, Cardiff School of Social Sciences 'An outstanding book. Jane Elliott breaks new ground by demonstrating to new generations of social scientists how the power of narrative can fruitfully be harnessed in social research. This is a "must read" book' - Professor Mike Savage, University of Manchester This is a lucid and accessible introduction to narrative methods in social research. It is also an important book about the nature, role and theoretical basis of research methodology in general. Jane Elliott instructs the reader on the basic methods and methodological assumptions that form the basis of narrative methods. She does so in a way that is practical and accessible and in a way that will make the book a...
