Between Remembering and Forgetting: The Spiritual Dimensions of Dementia

By James Woodward

Continuum Publishing Corporation, United States, 2010.

Paperback. Book Condition: New. 211 x 137 mm. Language:

English . Brand New Book. This is a resource for reflection on

the nature of dementia, particularly its spiritual dimension and the implications of that for Churches and other faith groups.

Here is a long overdue resource for reflection on the nature of dementia, particularly its spiritual dimension and the

implications for Churches and other faith groups. A practical

focus offers not only a critique of areas for future research and development in the field of dementia, but also directs the

reader to further resources. The Leveson Centre brings together for study, reflection and the exchange of ideas and

information those who believe that older people should not be considered passive recipients of care, but as valued and

cherished members of society, who can inform and enrich the

lives of others. In particular the Center is developing an

understanding of spirituality as lived by older people and aims to support them to express their spiritual awareness.

Contributions from distinguished and experienced

practitioners in the front line of dementia research and care

are here given a context and an overview by the Director of the Foundation,...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
