North is the third in a seven volume series that lovingly guides readers on a journey from the painful existence in which ego rules into the pleasure of being ones true Self. Going on this voyage convincingly shows how divine we really are. Called The Human Hologram, this long awaited series from internationally known author and rational mystic, Otto Richter, navigates us through the twists, turns, and ups and downs of spiritual growth with startling success! Dancing on the edge between science and the sacred, the profound and the profane, he leads readers through his empowering holographic model of the human psyche, initiating us into new dimensions of mystical power. With remarkable tools that bypass any particular religious dogma, we are shown how to connect to extraordinary physical vitality, mental clarity, emotional stability and spiritual awareness. The North of The Human Hologram represents the realm of the psyche that empowers us in the world of action. In this volume of the set, we will experience self-discipline as something that is not only tolerable but actually pleasurable! Explore the power of your thoughts and learn to focus the mind in ways that energize you. Learn about how addicted...
