Dr. Susan Miller s passion is to empower women with effective compelling communication skills so they can articulate and achieve their goals, communicate their needs, and master the art of being heard where it counts. Be Heard the First Time is an operator s manual for oral communication and shares the seven key skills of all competent speakers, plus Dr. Miller s proven strategies for breath and pitch control. For beginners, she shows how to focus on posture, presence, comfort level, and the message itself. And, for those aiming for promotion, this book reveals how to be heard the first time so you can achieve your goals. **REVIEWS** Local voice and communication consultant Susan D. Miller wants you to speak with authority. Breathe...
