Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

THE IDEAL AND THE REALITY OF CLASSICAL ATHENS

GRIN Verlag. Paperback. Book Condition: New. Paperback. 16 pages. Dimensions: 10.0in. x 7.0in. x 0.0in. Essay from the year 2007 in the subject History - World History - Early and Ancient History, grade: 1, 0, Hawaii Pacific University, course: Introduction to Greco-Roman Civilization, language: English, comment: Der 8-seitige wissenschaftliche Essay bezieht sich auf die Quellen wie dargestellt sind in: Wiesner, Merry E. , Julius R. Ruff, Franklin M. Doeringer and William Bruce Wheeler. Discovering The Ancient Past: A Look At The Evidence. Boston New York: Houghton Mifflin, 2004. , abstract: 19th century historians such as Edith Hamilton believed that Classical Athens was an ideal society of law and freedom, truth and religion, beauty and goodness (Wiesner et al. 127). However, not all historical evidence supports this opinion, and it has to be taken care about the intentions and contexts of each literary evidence. Some might be realistic approaches, others might convey idealized or even purely ideal viewpoints. This essay intends to examine the ideal conceptions which Pericles, Aristotle, and Xenophon set forth for the individual, the household and the government; also, these views will be compared and contrasted with more realistic descriptions such as The Melian Debate, the opinion of an unknown author about Athenian Democracy and the purely idealistic view that Plato argues for. Furthermore, it will be attempted to establish a connection between the written sources and depictions of archaeological findings. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
