Our faith in God often hinges on his activity---or inactivity---in our daily experiences. When our prayers are answered, our faith soars. When God is silent, it becomes harder to trust him. When God shows up in an unmistakable way, our confidence in Him reaches new heights. But when he doesn't come through, our confidence often wanes. But it doesn't have to be that way---it's not supposed to be that way. This 5-session study is guaranteed to transform your thinking about FAITH. As you listen or watch, you will discover the difference between faith and hope. You will be presented with a definition of FAITH that will shed new light on both the Old and New Testaments. Andy Stanley explains what we can expect of God every time we come to him with a request. In addition, he exposes the flaws in what some have labeled The Faith Movement. Faith, Hope, and Luck is not just another group study. This content is foundational for everyone who desires to be an informed, active follower of Christ. Five sessions include: 1. Better Odds 2. Betting on Hope 3. Beating the Odds 4. No Dice 5. All In.
