iUniverse, United States, 2008. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When I started my mazes I just did them to pass the time away. People would stop and look at them and ask me how they worked. So I decided to do some easy mazes so they could understand them more. Once they understood the concept it would be easier for them to finish. They would be so excited about them, they would want me to make more. It became the challenge of the minds, I would make the mazes harder so they wouldn't bug me so soon for another. My mazes have some easy, some harder and then they get crazy. Will I be preached to, about making a maze puzzle book. I was told this was the greatest thing since the wheel. Ha ha ha. I don't think it's all that, but I'm very proud of it. Please call me anytime for your opinions. 1-734-. John Tittensor Jr.
