Can t we all just get along? When God created man in the image of God, we were given intelligent minds to interact with one another in harmony and peace. Our world was to be a place of wonder and delight. Then, along came Lucifer, who schemed to turn the good wholesome fruits and grains God meant for mans benefit into a fermented brew, an insidious addictive concoction, which has the ability to destroy the human brain and spirit. It can bring heartache to crumbling relationships and split families apart. Today, there are over 17.6 million alcoholics in the United States alone - according to The National Institute on Alcohol Abuse and Alcoholism (NIAA). That is 1 in every 12 adults. Almost everyone is impacted in some way by an alcoholic. As the wife of an alcoholic for over 27 years, surviving this type of relationship was not easy. I knew I needed help. I attended AA and Al-Anon meetings, studied the Bible, met with leading counselors and psychologists, read numerous books, and spoke with others in the same situation. I then took all the information I gathered and put them into this book. It is my prayer that Letting Go: A Christian s Guide to Finding Peace will help you regain the peace you so desperately seek. This highly informative book will empower you to regain the peace you are longing for through a process of understanding, letting go, and regaining control over your life.
