iUniverse, United States, 2008. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What made Mark Goddard kidnap a wooden Indian? Why was he arrested for carrying a Colt 45 in Boston? How did he deal with his infant daughter s disappearance? Danger, danger Will Robinson is a phrase Mark Goddard often heard in his role as Major Don West in the 1960 s hit television series Lost in Space. During his real life, the phrase he should have heeded was Danger, danger Mark Goddard. This memoir maps Goddard s roundtrip journey from a small town boy to a TV star and back again recounting humorous anecdotes about co-stars and celebrities like Billy Mumy, Peter Fonda, Buddy Hackett, and Jim Brown. This trip gets bumpy along the way, though, with two failed marriages and a career nosedive before Goddard has the realization that changes his life. Told with humor and candor, To Space and Back gives the reader a roller coaster ride equal to any side trip the Jupiter II took on its way to Alpha Centauri.
