Brand New Book ***** Print on Demand *****.Pratique et facile a consulter, ce dictionnaire medical francais-anglais propose plus de 3000 termes medicaux, couvrant l'essentiel de la pratique medicale: orientation dans le temps et dans l'espace; les types des accidents, catastrophes et detresse; parties du corps humain; les symptomes, blessures et maladies; pharmacie; etablissements medicaux, procedures et soins; examens medicaux, grossesse et obstetrique. The audience for this dictionary includes medical professionals working in multilingual environments; global health professionals in tourist areas; professionals in public health, humanitarian medicine, emergency disaster management, rescue teams and above all, frequent travellers disposed to any kind of danger or health risk and therefore in the need of medical assistance while in some foreign speaking country. In emergency situations even small misunderstandings can lead to the loss of valuable time and consequently lives, therefore this dictionary is created in very practical time-saving and easy-to-understand way for both medical professionals and their patients. Instead of one classical A to Z alphabetical order, it consists of several topics where terms regarding each topic are organized alphabetically. The topics...
