Rebellion. Paperback. Book Condition: new. BRAND NEW, Extinction Biome: Invasion, Malcolm Cross, Four years in the military, training for a war that never happened, left Alexander Miller disillusioned and apathetic. Now, as second in command of COBALT, a corporate bodyguard unit for the biotech giant Schaeffer-Yeager, he's little more than a glorified chauffeur to the wealthy elite. But times change. A threat from the ancient past has reawakened, and like a Biblical plague it threatens to consume every ecosystem on Earth. Hordes of parasite-infected humans riot against the increasingly powerless authorities as vast fungal blooms destroy crops and terrifying beasts stalk city streets. The last time this happened, T-Rex found itself on the menu. But mankind's got more than teeth - it's got guns. Miller and the men and women of COBALT are pressed into service to fight the onslaught, but they have no idea how cut-throat their corporate masters can be.
