

Building a PC in Easy Steps

By Stuart Yarnold

In Easy Steps Limited, United Kingdom, 2011. Paperback. Book Condition: New. 3rd New edition. 222 x 184 mm. Language: English . Brand New Book. Written for those who want more than what the standard pre-built PCs offer. Pre-built systems are often, a compromise between what the manufacturers want to sell you and what you want to buy. One solution is to build it yourself. Acquiring a copy of Building a PC in easy steps is the first step in the right direction to build a PC. Written in concise and easy-to-understand style, this book will take you by the hand and walk you through all the stages of building and setting up a computer: Buying the parts and avoiding sales scams; mastering and installing each component (CPU, memory, video, etc); altering default settings in the BIOS for optimum performance, installing and configuring device drivers. The troubleshooting chapter is invaluable in the event of problems. By the time youve finished, you will have a computer thats tailored to your exact requirements with no superfluous features or functions. Now, updated for Windows 7.
