Earth Green Earth Blue Waters. Hardcover. Book Condition: New. Hardcover. 388 pages. Dimensions: 8.5in. x 5.5in. x 0.9in. Earth Green Earth Blue Waters introduces the first edition, first Volume of a nonfiction book titled PLASMA FAITH PHYSICS, written by the Arctic Falcon. The book depicts a journey leading into the marrow of those infrastructural geo-political venues that are ever presently defacing, discrediting, and adulterating the codes of human destiny. The author refers to humanity as the intrinsic component of the human being that guarantees the perpetuity of life, time and matter. Furthermore, the author, Arctic Falcon, provides a perspective into multiple states of realities to examine the condition of creation and its creatures of life and reveals the riveting truth of those disregarded and disparaged qualities that define the virtues of creation and life. After intense research and questioning of the earth's leading agencies, the Arctic Falcon submits unto the earth and unto its populations reminders that the earth belongs to no one and to nothing. And gently reminds the reader that the same is for the created creatures of creation. The Arctic Falcon witnesses the extrapolation of the propensities of time, matter and life to reveal the inner layers of opposing forces that exist intervening to overwhelm life so to perpetuate itself at the expense of time, matter, and creation. Overall in this work written by the Arctic Falcon certain endeavors are gently launched to engage the human to make aware to the races of the earth that an invitation is extended for all to strengthen their faith and understanding that Time is the language of God. When God speaks the entire universe is moved and responds with what are cyclical perpetual movements. And that these movements in the best of our intellectual abilities are what we believe, accept and...
