

Atlantis: Lost Lands, Ancient Wisdom

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

ATLANTIS: LOST LANDS, ANCIENT WISDOM

Thames Hudson Ltd, United Kingdom, 1992. Paperback. Book Condition: New. 276 x 198 mm. Language: English . Brand New Book. Atlantis, the island-continent that vanished under the sea, is one of the most haunting themes of legend. Described by Plato more than two thousand years ago, it is, seemingly, a philosophic myth; yet one recounted with a magnificence and a wealth of detail which have convinced many that it must have had some reality. Prehistorians have seen Atlantis as the fountain-head of all civilization; mystics have had revelations about it; archeologists have claimed to locate it - sometimes in surprising places. But one fact little realized is that Plato's genius indirectly created a different myth from that which he intended - a unique case history in the workings of the human spirit as it searches for origins and the dawn of wisdom.
