BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, Servant Ministry: A Portrait of Christ and a Pattern for His Followers, Tony Horsfall, Servanthood is something to which all believers are called, not just those in full-time ministry, and so understanding what servanthood means is vital for the health and well-being of local churches. Every member needs to appreciate their role as a servant of God. At the same time, the principles of servant leadership provide an essential framework for those called specifically to the work of the Church, whether at home or overseas. Servant Ministry offers a practical exposition of the first 'Servant Song' based in Isaiah (42:1-9). Writing from many years of Christian teaching and mentoring, Tony Horsfall applies insights drawn from the Isaiah passage to topics such as the motivation for service and the call to serve; valid expressions of servanthood and the link between evangelism and social action; character formation and what it means to be a servant; how to keep going over the long haul in the harsh realities of ministry; the importance of listening to God on a daily basis and also over a whole lifetime. Many people around the world have been inspired and refreshed by Tony Horsfall's teaching and mentoring. As well as working as an international freelance trainer and retreat leader, he has written a number of other books for BRF, including Rhythms of Grace, Mentoring for Spiritual Growth and Working from a Place of Rest. He also contributes to New Daylight Bible reading notes.
