Annie covers the full range of emotions and leaves you feeling inspired and humbled by the wit with which she sees the world. -Maryann Kerr, Executive Director, Gilda's Club Bearing up with Cancer is an inspiring book, chronicling Annie Smith's life over the 20 years after she was first diagnosed with cancer. The author's incredible wit and vivacity are integral to her story. This is a woman who taped chocolate bars to her abdomen as an energy source for her surgical team. This honest, intimate and humorous book is remarkable on many levels. It is a highly informative education on doctor/nurse/patient relationships and the crucial role that they play, as well as the role of supportive family and friends in healing. Bearing Up With Cancer is illustrated in full colour with Annie's signature caricature, bear, who takes the author/patient's place through her various trials and triumphs. It's an easy-to-read book that has infinite appeal; to anyone, of any age, who has been touched by cancer; all who fear it; and every classification of health care worker. Dr Barry Rosen, Academic Chief, Gynecologic Oncology at the University of Toronto's Department of Obstetrics and Gynecology, who wrote the book's foreword, says: For the most part, medical professionals see how illness affects our patients through our own eyes. Annie showed us ovarian cancer through her eyes, and in so doing,...
