Sage Publications Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 244 x 172 mm. Language: English . Brand New Book. Nursing Education provides a strategic guide and practical focus to curriculum planning and development. It will help all those involved in the provision of nursing education to understand the issues involved at the different stages of preparing a nursing curriculum which: - meets both professional and academic requirements; - integrates theory and practice; - enables students to achieve the skills and competencies they need for professional practice; - includes different methods of teaching and learning; - provides clear guidance for student selection and assessment. Balancing theoretical principles with practical application, and linked closely to the NMC s 2010 standards for pre-registration nursing, Jennifer Boore and Pat Deeny illustrate clearly and accessibly how to develop tailored education programmes so that nurse educators and clinicians in practice can enable their students to provide up-to-date and appropriate patient care.
