Createspace, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Does a truly great, dedicated employee contribute everything he's got to help his company succeed? All his time? All his energy? How about his kidney? His wife? Is a virtual life real? What if it feels real, looks real, tastes real, and smells real? What if the virtual life you're living now is better than the real life you've left behind? It's the future, where the government is weak, the powerful are playing dirty, and life is no tea party. Locked in his tiny chamber, Jonathan is immersed in a thrilling virtual world - part of a clandestine effort to transfer his loyalty from family to Company. *Virtually Yours*, Jonathan Newman chronicles a tug-of-war between competing values. Across America, Freedom First has placed corporate power and radical individualism above...
