

The Flight of the Creative Class: The New Global Competition for Talent (New edition)

Filesize: 2.37 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

THE FLIGHT OF THE CREATIVE CLASS: THE NEW GLOBAL COMPETITION FOR TALENT (NEW EDITION)

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Flight of the Creative Class: The New Global Competition for Talent (New edition), Richard Florida, The most valued workers today are what the economist Richard Florida calls the Creative Class, skilled individuals ranging from money managers to make-up artists, software programmers to steady-cam operators who are in constant demand around the world. Florida's bestselling *The Rise of the Creative Class* identified these workers as the source of economic revitalization in American cities. In that book, he shows that investment in technology and a civic culture of tolerance (most-often marked by the presence of a large gay community) are the key ingredients to attracting and maintaining a local creative class. In *The Flight of the Creative Class*, Florida expands his research to cover the global competition to attract the Creative Class. The United States was, up until 2002, the unparalleled leader in creative capital. But several key events--the Bush administrations emphasis on smokestack industries, heightened security concerns after 9/11 and the growing cultural divide between conservatives and liberals--have put the US at a substantial dis-advantage.
