

Monumental Java

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Java s ancient monuments are eloquent evidence of that innate consciousness of something beyond earthly existence which moves men to propitiate the principle of life by sacrifice in temples as gloriously divine as mortal hand can raise. Fear, however, especially where Buddhism moulded their thought by contemplation intent upon absorption of self, entered little into the religion of the children of this pearl of islands. Nature, beautiful, almighty nature, guided them and their work; even the terror inspired by the cosmic energy throbbing under their feet, by frequent volcanic upheavals dealing destruction and death, flowered into promise of new joy, thanks to the consummate art of their builders and sculptors, whose master minds, conceiving grandly, devising boldly and finishing with elaborate ornament, emphasised most cunningly the lofty yet lovely majesty of their natural surroundings. They made them images of the Supreme Being in his different aspects and symbolised attributes, free from the abject dread which dominated his worship by other earthlings of his fashioning in other climes, whose notion of All-Power was more one of Vengeance than of All-Sufficiency. They lived and meditated and wrought, impressing their mentality upon the material world given for their use; and so they created marvels of beauty, developed an architecture which belongs pre-eminently to their luxuriant soil under the clear blue of their sky, in the brilliant light of their sun.
