

Can You Dance to the Boogaloo?

By Alice Lickens

ANOVA Books, United Kingdom, 2013. Paperback. Book Condition: New. 265 x 265 mm. Language: English . Brand New Book. A bright, feel-good rhythmical book that celebrates music and dance. This colorful, get-up-and-move story is about breaking out of boundaries. It is designed to explore the get up and go every child has burning within them. The creatures pick up instruments, gathering in number and dancing through the pages finishing off with a dancing-on-the-rooftops night scene. The rhythmical approach sets the pace to the jig and is complemented by the sounds of both the instruments and animals wraparound. Children can also learn the names and sounds of the instruments seen through the pages and join in, in their own way, with the veritable hullabaloo.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
