Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Boys Town Press, United States, 2011. Mixed media product. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. The workbook has thirty-five new lesson plans with activities to help you teach valuable social skills to students! Use this workbook to introduce a range of social skills, from the basic (Following Instructions and Listening to Others) to the complex (Advocating for Oneself and Setting Long-Term Goals). Lessons are written in an easy-to-follow format with talking points to help you define and explain a skill and guide students through an activity. At the end of each lesson is a Think Sheet for students with questions about how to use a skill in different settings and situations. Role-play scenarios and classroom activities also are provided so students can practice each skill s behavioral steps. Some of the activities blend the teaching of social skills into academic lessons in math/science, language arts, social science, and physical education.
