Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

LEOPARD S SPOTS: TIMOTHY

Totally Entwined Group Limited, United Kingdom, 2012. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Book three in the Leopard s Spots Series Tim Trujillo is about to learn a whole lot more than a few facts about his heritage as a snow leopard shifter. All Dr Tim Trujillo had in mind when he took the position with the Snow Leopard Conservation Programme in Mongolia was to see if he could learn anything about his heritage. Snow leopard shifters sure weren t native to Colorado, his home state, and though his family was learning more about shifters in general as various cousins found their mates, Tim wanted to know more about where his kind came from, and what made them the way they were. He hadn t counted on destiny intervening in the form of one very fine snow leopard shifter. Otto Marquat is a native to the Land of the Blue Sky, as Mongolia was sometimes called. But there in a country so far from his own, Tim finds more than his heritage. He finds adventure, cruelty, friendship, pain-and love so strong and unbreakable it will turn his world inside out.
