By Kaethe Zemach

Arthur A. Levine Books. Hardcover. Book Condition: New. Hardcover. 32 pages. Dimensions: 11.1in. x 8.5in. x 0.2in. Kaethe Zemach's latest adorable offering is both a sweet school story AND a lesson for little fingers on how to draw! Dudley Ellington tries, but he's just no good at school. Luckily, he has Ms. McCaw as a teacher. She's patient and she never lets other students pick on Dudley. Also, she knows wonderful things -- why stars shine, how plants grow. Dudley thinks Ms. McCaw knows everything. Then one day, Ms. McCaw tries to draw a simple face on the chalkboard -- and she can't do it! The other kids start to snicker, but Dudley jumps to the rescue and gives his favorite teacher a drawing lesson. With Kaethe Zemach's cheery illustrations showing the way, all little fingers will itch to take up a pencil! This item ships from multiple locations. Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
