Brand New Book ***** Print on Demand *****.Play In Any Key, Any Mode, Anywhere On The Fretboard With A Single Scale Shape! Do you want to accelerate your mastery of the guitar? Are you stuck in the box and want to branch out? Do you want to add more variety and a more personal touch to your music? Buy this book to UNLOCK the full fretboard using ONE full-octave scale shape and a new perspective on how you learn and view scales. The main purpose of this book is to teach the theory required to improvise and play freely, build scales and understand why certain things sound good or bad in music. This doesn't necessarily require you to learn a single note name, although for the best results you should set about learning the notes of the fretboard in standard tuning (or whatever you tune to most if you don't use Standard E). This book will teach you: What intervals, scales and modes are, how to apply them and how they relateHow to build scales from scratchThe fundamentals of music theory in a...
